Scholar Articles and patents - 2002 include citations Results 1 - 10 of about 3,330. (0.20 sec)

Federated database systems for managing distributed, heterogeneous, and autonomous ... -

► [psu.edu](#) [PDF]

AP Sheth, JA Larson - ACM Computing Surveys (CSUR), 1990 - portal.acm.org

... query processing and optimization, transaction management, and **distributed database management ... and types of FDBSs are created by different levels of integration ...**

Cited by 2367 - [Related articles](#) - [All 30 versions](#)

Data management in an international data grid project - ► [psu.edu](#) [PDF]

W Hoachek, J Jaen-Martinez, A Sarnar, H ... - Lecture Notes in Computer Science, 2000 - Springer

... In **distributed database** research replication becomes more and more important ... The **sensitivity levels associated with data and meta data might be different. ...**

Cited by 396 - [Related articles](#) - [BL Direct](#) - [All 44 versions](#)

A taxonomy and current issues in multidatabase systems - ► [mst.edu](#) [PDF]

MW Bright, AR Hurson, SH Pakzad - Computer, 1992 - doi.ieeecomputersociety.org

... have been studied in the **distributed database environment ... include nonsecure communication links, varying levels of security at different nodes, and ...**

Cited by 250 - [Related articles](#) - [All 7 versions](#)

[PDF] ► Security constraint processing in a multilevel secure distributed database management ...

B Thuraisingham, W Ford... - IEEE Transactions on Knowledge and Data ..., 1995 - utdallas.edu

... MLS/DBMS, users cleared at **different security levels** access and share a **distributed database** consisting of data at **different security levels** without violating ...

Cited by 51 - [Related articles](#) - [BL Direct](#) - [All 10 versions](#)

Globus: A metacomputing infrastructure toolkit - ► [kfupm.edu.sa](#) [PDF]

I Foster, C Kesselman - International Journal of High Performance Computing ..., 1997 - hpc.sagepub.com

... adaptive wide area resource environment (AWARE), an integrated set of **higher level ...** nected supercomputers and other resources at **17 different sites** across North ...

Cited by 3412 - [Related articles](#) - [BL Direct](#) - [All 12 versions](#)

The value of a database in surveillance and vaccine selection - ► [mac.com](#) [PDF]

C Macken, H Lu, J Goodman, L Boykin - International Congress Series, 2001 - Elsevier

... **different levels of access** to its contents, with appropriate **security** maintained on sensitive data not intended for public use. Experts on **distributed database ...**

Cited by 168 - [Related articles](#) - [All 2 versions](#)

[PDF] ► The role of trust management in distributed systems security

M Blaze, J Feigenbaum, J Ioannidis, AD ... - Lecture Notes in Computer Science, 1999 - Citeseer

... The implication is that **high-level administrative authorities** cannot directly specify overall **security policy**; rather, all they can do is certify "lower-level ..."

Cited by 449 - [Related articles](#) - [View as HTML](#) - [BL Direct](#) - [All 39 versions](#)

Database security - ► [psu.edu](#) [PDF]

TF Lunt, EB Fernandez - ACM SIGMOD Record, 1990 - portal.acm.org

... the same primary key but **different access class ... system with classification at the element level. ... Extending multilevel security to distributed database systems [8 ...**

Cited by 25 - [Related articles](#) - [All 6 versions](#)

The Clearinghouse: A decentralized agent for locating named objects in a distributed ...

DC Oppen, YK Daial - ACM Transactions on Information Systems (TOIS), 1983 - portal.acm.org
... names from a flat name- space." Social **Security** numbers constitute ... Two **different**
nodes may have names A : B and A ... 2.8 Levels of Hierarchy If one chooses to use ...
[Cited by 206](#) - [Related articles](#)

[PDF] ► **Distributed database management systems and the data grid**
H Stockinger - 18th IEEE Symposium on Mass Storage Systems and ..., 2001 - Citeseer
... and policies with **different levels** of data ... 2.1 Distributed DBMS research **Distributed**
database research basically ... scheduling, resource discovery, **security**, etc. ...
[Cited by 54](#) - [Related articles](#) - [View as HTML](#) - [All 15 versions](#)
